

LIMERICK INTELLIGENCE.

'Tis said that old Earl of Warwick
(A personage very historical)
Dismissed his physician,
A man of position,
For making him drink paregoric.
—Pennysylvania Punch Bowl.

IF you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

John W. Dryden has sold to William Maxey a lot in Clifton for \$425.

Mrs. L. V. Davis will have her spring millinery opening Wednesday, April 1st.

From many parts of the county comes the report that wheat is falling badly.

The personality of the late John T. Tucker consists of \$386.46 cash in bank.

Mr. Thomas Fox, a widely known lawyer, died Sunday at his home near Danville.

Miss Matilda B. Chambers, who has been quite ill at Washington, is improving.

The widow's allotment from the personal estate of the late John T. Tucker is \$446.

Mrs. Rebecca Marshall, who has been ill with pneumonia at Washington, is improving.

The old Colonel Lee place in the county was reported to be burning at 9:30 this morning.

Miss Anna Shafer, living in Forest avenue just beyond the city limits, is reported ill with smallpox.

The Ladies' Mite Society of the M. E. Church will meet Wednesday afternoon at 2 o'clock with Mrs. John Allender on Sixth street.

Jacob Cablish has bought the Andy Weiland property, Market street below Third, for \$3,500 cash. He will fit it up and remove his grocery and residence thereto.

The earnings of the Cincinnati Tobacco Warehouse Company continue to increase, announcement being made that during the short month of February alone the dividend for the entire quarter was almost earned.

SMALLPOX SITUATION.

Not Over Twenty Mild Cases, Including Those in Pesthouse.

"What fools some mortals be," is an appropriate paraphrase of a well-worn quotation, in view of the present senseless smallpox "scare" in Maysville.

The most exaggerated reports are heard on all sides, and it would seem that some people have either "lost their heads," or else have entered upon a campaign of deliberate falsehood.

Anything, everything, is seized upon as a pretext for starting the report that Henry So-and-So has the smallpox; and just now if one should unfortunately be killed by a fall from a balloon, a thousand lengthy, well-oiled tongues hang ready to waggle the "news" that he died from smallpox!

The facts are that there are not more than twenty cases in and around Maysville, and these include all the occupants of the County Pesthouse—and nearly every one of these is of a mild character, not a single "confluent" case existing.

The foregoing number includes also John Brown, colored, who was yesterday reported from his home near the old tollgate on the Fleming pike, nearly two miles from this city!

The report that Miss Allie Alexander in Limestone street has smallpox is part of the general raid of falsehood, for THE LEDGER has the statement of her physician, on his professional honor, that she has not.

Guards will be placed at the two infected houses on the Fleming pike near the city limits, and the Health officers are doing everything necessary to protect the community.

The Leggett family in Short street and Mr. and Mrs. Washington, colored, on the Fleming pike, whose cases are included in the twenty enumerated above, and who have been ill for several days, will be removed to the County Pesthouse.

THE LEDGER pledges itself to report daily every known case, with its location; but it does not intend to reproduce the wild-eyed "rumors" that are started by people who have so little else to do that it would be a public blessing if the genuine smallpox would give them a good job at scratching.

SOME VACCINE POINTS.

If there was one-hundredth part as much smallpox in town as there is talk about it, every house would be a hospital.

A Doctor and the Coroner went waltzing down street yesterday, arm-in-arm; and right away everybody said that everybody else had the smallpox.

There is neither likelihood nor necessity for closing the Public Schools; but those scholars who do not, upon the request of their teacher, show a certificate of vaccination will be required to remain away from school.

The wiae Flemingsburg gentleman who declared there was no Pesthouse here is respectfully invited to come down, and The Ledger Man will take pleasure great in escorting him through the building and extending all proper hospitalities.

C. Wetzel for Headlight Oil, Gasoline.

Ray's Cough Syrup will cure, or money refunded. 25 cents.

Limestone Lodge, K. of P., will confer the Esquire and Knight Ranks at its stated convention next Friday evening.

It is reported that the State Democratic Headquarters, which are now located at Mt. Sterling, will be closed after the primary of May 9th, but will be reopened at Louisville September 1st, and the fall campaign will be carried on from there.

Judge A. M. J. Cochran yesterday afternoon sold to Mr. W. L. Holton the handsome West Third street residence now occupied by the Rev. Dr. John Barbour. The price was \$5,500. Dr. John W. Cartmell, Mr. Holton's son-in-law, will occupy the house with his family.

Saturday, at a meeting of the creditors of the Collins & Rudy Lumber Company, bankrupt, the Trustee was directed to sell all the real estate. This includes the large and complete manufacturing plant, one of the best in the Ohio Valley. Intending purchasers are advised that the sale will occur on Wednesday, April 22d, of which due advertisement will be made in a few days.

MRS. CHARLES BRATTON.

Mrs. Charles Bratton died at 4 p. m. yesterday at her home on East Front street, after a long illness from consumption.

She was formerly Miss Nellie Jennings, was 29 years of age, and is survived by her husband and one little daughter.

The funeral will occur Thursday afternoon at 2 o'clock from her late home, and the interment will be in Maysville Cemetery.

MRS. ELIZABETH JANE FLEMING.

The death of Mrs. Elizabeth Jane Fleming occurred yesterday at the home of her daughter, Mrs. J. L. Daulton, in the Fifth Ward. Deceased was born May 23d, 1821, and came to Maysville from Lewis county in 1849. Surviving her are three children—Mrs. J. L. Daulton and Messrs. George and J. B. Fleming. She has also one sister, Mrs. Ann Nicholson of Ashland, now in her 92d year. Mrs. Fleming had been a devoted member of the Christian Church for forty-five years. The funeral will take place from the home of Mr. and Mrs. Daulton, 408 East Second street, at 3 o'clock tomorrow afternoon, the Rev. R. E. Moss conducting the services. Interment in the Maysville Cemetery.

Echoes From the Press!

THE LEDGER is highly appreciative of the kind words spoken by its contemporaries in reference to its new dress, and takes pleasure in reproducing a few opinions—

Fleming Gazette.

THE MAYSVILLE LEDGER is "just too sweet for anything," in her new dress of type.

Ripley (O.) Bee.

THE MAYSVILLE DAILY LEDGER came to us Monday in a handsome new dress of type.

Dover Messenger.

THE MAYSVILLE PUBLIC LEDGER has donned a new spring dress which is attractive and up-to-date.

Bracken Chronicle.

THE MAYSVILLE PUBLIC LEDGER has a new dress of type. Always neat and newsy, it presents a better appearance than ever.

Mt. Sterling Gazette.

THE MAYSVILLE LEDGER appears in a new dress. It is not only one of the best newspapers in the state, but is typographically unexcelled.

Evening Bulletin.

Our neighbor, THE PUBLIC LEDGER, is looking quite gay in its attractive spring outfit. Its new typographical dress is up-to-date, and is a very handsome improvement.

Greenup Gazette.

THE MAYSVILLE PUBLIC LEDGER came out Monday in a new spring dress of handsome type which fits its form becomingly and attractively, making THE LEDGER more readable than ever.

Greenup Democrat.

IN A NEW DRESS.
Colonel Tom Davis's MAYSVILLE LEDGER has appeared in a new dress. Uncle Tom knows we appreciate the paper, because he sends two copies daily to us.

Dover News.

THE MAYSVILLE LEDGER, one of our most valued exchanges, appeared Monday in a brand new suit of spring "duds." THE LEDGER is always issued in an attractive form, and always keeps well up in front of the procession from most any view point. Long may she wave.

A Remarkable Case.

One of the most remarkable cases of a cold, deep seated on the lungs, causing pneumonia, is that of Mrs. Gertrude E. Penner, Marion, Ind., who was entirely cured by the use of One Minute Cough Cure. She says: "The coughing and straining so weakened me that I ran down in weight from 16 to 92 pounds. I tried a number of remedies to no avail until I used One Minute Cough Cure. Four bottles of this wonderful remedy cured me entirely of the cough, strengthened my lungs and restored me to my normal weight, health and strength." J. Jas. Wood & Son.

THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—

"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

Mrs. Lucy Dimmitt has accepted a position in Cincinnati.

Mary R. Graves and others sold to Sanford M. Roff about 120 acres on Lee's Creek for \$11,100.

THE VOCAL CHOIR.

The Famous Vocal Choir of the Kilties (from 16 to 20 voices) renders "Ye Banks and Braes," "Annie Laurie," "Scots Wha Hae," "The Hundred Pipers," "My Love She's but a Lassie Yet," "Robin Adair," and many other exquisite Scottish songs, harmonized, as well as popular American airs. A good indication of the choir's popularity is the fact that at every concert given on the various tours, without exception, their selections were encored from three to six times. The Kilties' date at the Washington Opera-house is Wednesday, April 15th, for two concerts, afternoon and evening.

COLONEL CHARLES L. GRAY of Augusta looks very like a winner in the race for Railroad Commissioner. There are a great many who think this end of the District should have a chance, and certainly Mr. GRAY is a good man for the place.

THREE children of JONAS WHITEHEAD, Cincinnati,—one aged 6, one 7 and one 5 years,—were playing with a revolver, when one of the latter shot and killed the former. It was so careless of JONAS to leave only one revolver lying around for his children to play with; he ought to have furnished at least one of the toys for each child.

THE Missouri Legislature adjourned on March 19th in honor of BRYAN's birthday. Some years ago a Committee was sent by the Illinois Legislature to visit the State Lunatic Asylum. Among the members of the Committee was a very self-important duck. He was greeted by an inmate—

"Well, how are you; how long have you been here?"

"Sir, I'm not an inmate of this place; I'm a member of the Legislature!" haughtily replied the law-maker.

"Oh, yes," added the poor lunatic, "they're sending lots of damned fools to the Legislature now!"

What's In a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co. of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles, For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's, the genuine. J. J. Wood & Son.

A FITTING TRIBUTE.

A Citizen of Maysville Pays a Well-Earned Tribute.

The following public statement of a respected citizen adds one more emphatic indorsement of merit to the scores that have appeared before:

Mrs. Philip Fist of 129 East Fifth street says:

"Our son used Doan's Kidney Pills, sold at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, with great benefit. He was troubled with a disturbed condition of his kidneys for a long time, evidenced by backache, brick-dust sediment in the secretions and a tendency to inflammation of the bladder. The use of two boxes of Doan's Kidney Pills proved them to act up to their presentations made for them."

JOHN A. MITCHELL, President of the United Mine Workers of America, was particularly anxious to have a Commission appointed to adjust the grievances between the Pennsylvania anthracite coal operators and his organization. The members of that Commission were partly of his own choosing, and now that its report has been made public, it is said that Mr. MITCHELL is not altogether pleased. Perhaps this is one of the clauses in the report that Mr. MITCHELL doesn't like—

"The present Constitution of the United Mine Workers of America does not present the most inviting inducements to the operators to enter into contractual relations with it."

THE state of New York proposes to go after the insurance octopus in a business-like way. The Assembly Committee on Insurance has decided to report favorably the bill providing that fire insurance companies that combine to regulate rates shall forfeit their charters and be liable to punishment for a misdemeanor. The bill also provides that the State Superintendent of Insurance shall, on or about July 1st of each year, address a letter to each Company, inquiring if they are interested in any combination, and to require an answer under oath on or before September 30th, signed by the President and Secretary, or those acting in their places. The Kentucky Legislature, which professes so much legislation for the relief of the "dear people," might itself make an effort to protect the public from the grasping methods of the insurance combine.

Political Pickings

WHY IT IS THUS.

Grayson Tribune.

Kentuckians are leaving their native state in droves, going to the West and North in search of a better chance to earn a livelihood. Yet the old state has as fine farming lands as any other state and in minerals far surpasses many commonwealths. There is something wrong somewhere. Is it that our rotten political system stifles our energy and enterprise by adverse legislation and no encouragement is given to the home builder? Considering our vast resources, emigration should be coming our way, but it isn't. People seeking homes do not care to settle in communities that base citizenship on party qualification and where the dominant party boldly pilfers the ballot-box and ignores the rule of the majority.

GOOD SEEDS GROW GOOD CROPS.

That's why you should buy Landreth's Seeds, as you get fresh seeds and of known variety. All Landreth's Seeds were grown last year from seeds whose variety had been proved and under the most favorable conditions for each kind. They had the precise attention of details in gathering, etc., which only the practical seed grower knows how to give. All this should make them worth more to you than seeds picked up here, there and anywhere; but we sell them as low as you pay for the inferior kind.

We are exclusive agents in Maysville for Landreth's Seeds.

Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

Mr. Oliver still controls the chilling process that has made the Oliver Plows so famous. Every genuine Oliver Plow Point or other repair has M. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last

almost twice as long as a part chilled in the imitation way. Notice one peculiarity of an Oliver Plow: Note this well, for it means much to you—An Oliver Point also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most value that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.

Paine's Celery Compound

Used in Springtime Will Give That Strength, Vim and Bodily Activity That All Are So Eager to Possess.

Pure blood and well nourished nerves are the great requisites at this season for every man, woman and child. Too many of our people enter the spring season with systems charged with deadly impurities. The blood is foul and stagnant; the liver and kidneys work imperfectly, and very often are diseased. With many, rheumatism, neuralgia and dyspepsia are daily tormentors. Life is not safe when such ailments are permitted to run unchecked.

If you, unfortunate sufferer, find yourself burdened with any of the forms of disease just referred to, do not fail to give Paine's Celery Compound a trial. It is your only safety—your only true and certain deliverer from perils that end in death. Paine's Celery Compound has cured tens of thousands every springtime; it will do the same blessed work for you. One bottle will cost you less than a visit to consult a physician, and will convince you of its power to cure. Mr. A. S. Farley, Milwaukee, Wis., says:

Last spring I was convinced very strongly that my blood was in a bad and dangerous condition. I had boils and skin eruptions, was rundown, sleepless and had no appetite. The doctors failed to cure me. I fortunately tried your Paine's Celery Compound. My dangers and troubles were soon banished, and I was made a new man, strong and vigorous, thanks to Paine's Celery Compound.

The Democratic Committee of the Eighteenth Judicial District, at a meeting in Cynthiana, assessed the candidates for Circuit Judge the aggregate sum of \$750, to be equally divided, and the candidates for Commonwealth's Attorney \$150, to be equally divided.

Estes G. Rathbone, in formal charges to the War Department, claims that General Leonard Wood accepted valuable presents from the proprietors of gambling establishments while he was Military Governor of the island of Cuba. He presents these charges in such a way that it is hard to see how General Wood can avoid making a formal explanation. Mr. Rathbone charges that General Wood secured the admission of the presents free of duty. The charges say the presents cost \$5,000 in the store of a leading jeweler in New York.

The old "Deadwood" coach, the property of the Government and one of its prize exhibits, the first that carried the mails in Montana back in 1868, was smashed to kindling wood by two employees of the Bureau of Engraving and Printing a few nights ago. These two young men espied it where it had been temporarily housed on the East porch of the Postoffice Department, pending its return to the Smithsonian Institute. They pulled it back and forth until it finally got away from them and plunged down the steps, at the bottom of which it landed in a heap of wood and iron.

PALE WOMEN

A Bloodless Face Indicates Trouble.

Watery Blood a Menace to Health.

WE KNOW HOW PALE PEOPLE CAN GET RICH RED BLOOD.

COME AND LET US TELL YOU ABOUT VINOL

When blood is watery and thin, or, as doctors would say, lacks red blood corpuscles, it is a sign that much is radically wrong.

We would advise everyone who has such symptoms to start at once to take a proper remedy to overcome this trouble.

That remedy is Vinol, the greatest and most modern tonic and builder. Vinol owes its virtue to the fact that it contains in a highly concentrated state the active curative principles extracted from cods' livers, the same elements that have made cod-liver oil famous for wasting diseases.

These medicinal elements are dissolved in a delicious table wine so that Vinol is most palatable.

None of the vile-smelling obnoxious grease that characterizes cod-liver oil and frequently makes it an impossible remedy for those who should take it, is found in Vinol.

We could relate many instances where Vinol has done good and restored the roses of health to the pale cheeks of the sufferer.

The following is a fair sample of the way people write in regard to Vinol: "For several months I suffered lassitude and tired all the time. Also a sinking feeling in my stomach, which nothing would relieve, and I was pale and weak. As an experiment I tried Vinol and if I wrote pages I could not tell all it has done for me." Mrs. A. K. LaFausch, Amesbury, Mass.

Because we know Vinol so well, and because we know so surely what it will do, and how it will accomplish the good it does in a scientific way, we unreservedly endorse and recommend it, and in every instance guarantee to refund to any one what they pay us for Vinol if they do not find it entirely satisfactory.

SOUVENIR BUTTONS.

They Are Going Like "Hot Cakes" All Over the State.

Some delay in the delivery of the Kentucky Building Buttons was occasioned by mounting them on cards. They were all ready the first of this week, however, and every mail and express train out of Louisville for Kentucky points is carrying bundles of them to agents eagerly awaiting the delivery. The delay was unavoidable, but it served admirably to whet the appetite of the public for the buttons, not that they are good to eat but good to look upon.

The buttons are mounted twelve to a card for store windows, and for sale on the streets and on trains.

Every cent derived from the sale of the buttons will go into the erection of the Kentucky Building, the Kentucky Exhibit Association having decided to reserve the fund which comes from the business element of the state—the commercial and industrial life—for a complete display of Kentucky's products and resources in the main exhibit palaces of the Exposition.

Monongahela and Allegheny rivers are rising again, and a barge stage of 10 or 11 feet is expected today. It is expected that considerable coal will be sent out on the rise, and rivermen are busy putting the tows in condition for shipping.

The J. B. Finley and tow of 42 pieces, including 11 model barges of steel rails, went to pieces at Hog's Point, between Cannelton, Ind., and Cloverport, Ky., early Sunday morning. The Finley twisted a crank off her shaft, disabling her and leaving her to the mercy of the swift current in a high river. Barges are scattered all along the shore from Hog's Point to Lewisport. Several were caught and landed here and there along the shore. Two struck a tree at Hawesville about 3 o'clock Monday morning and went down. Two or three were caught and landed on the Kentucky side below Cannelton. Some went to pieces. A large number went on down stream, but were caught by the Henry De Bus and tied to the shore below. The De Bus was on her way down the river, when she discovered what had happened. She was kept busy towing barges ashore and tying them up. Captain William Crow was in command of the Finley, and superintended the work of catching the loose barges aboard the De Bus. The accident happened at 1:30 o'clock Sunday morning. Captain Crow telegraphed to Louisville for another boat, and when she arrives will begin to collect the boats that remain safe along the shore so as to continue the trip. He said that 22 boats are lost. The Finley left Louisville Saturday. The damage will amount to several thousand dollars, but the loss is covered by insurance. The boat is the property of the combine at Pittsburgh.

OSTRICH LOGIC.

"When I can't see danger there is no danger." That's the logic of the ostrich which hides its head and exposes its body to the hunter. There are not a few people who seem to have gone to the ostrich to learn logic. The most dangerous enemies of humanity are the enemies which can't be seen, the disease breeding microbes which infect the blood. It is harder to get the microbe out of the blood than to keep it out, but Dr. Pierce's Golden Medical Discovery does both, by purifying the blood and then keeping it pure.

If there are eruptions on the skin, boils, pimples, sores or other signs of impure blood, use Doctor Pierce's Golden Medical Discovery, which will purify the blood and cure the eruptions which come from it.

"My blood was all out of order, and I had to go to the doctor," writes Mrs. James R. Moss, New London, Stanley Co., N.C. "He gave me medicine which helped me for a short time. In the winter of 1895 I got worse than I had ever been. My tonsils were enlarged and my neck swollen all out of shape; my throat was sore and I could not cure it. My husband went for the doctor, but he gave me no encouragement. He helped me a little, but it did not last long. He attended me for twelve months, when I heard of a lady whose condition was like mine, who was taking your medicine and was getting well. So I secured some of the medicine and began taking it. In one week I was able to do my cooking. When I began taking the medicine I could sit up only a few minutes at a time, and I could rest or sleep only a little while at a time. My throat was so sore at times I could not even swallow sweet milk, and my tonsils were full of little eating sores. My left side was swollen out of shape and I could hardly get my breath. The doctor said I would not get well, but three bottles of Dr. Pierce's Golden Medical Discovery, three bottles of his 'Pellets,' three bottles of Dr. Sage's Catarrh Remedy and the use of salt water did the work and cured me."

FIT, STYLE and WORKMANSHIP

Has ever been produced, and the cost is no more for these fine tailored Suits and Overcoats than you pay elsewhere for the ordinary ready-made stuff. If you have never seen this finest production of the tailor's art we invite your inspection. Come in, try them on if you like, and you will say we have indeed told the truth.

In our Men's Furnishing Department we have all that's new, and useful gifts for the Holidays. See our corner window display.

ECONOMY

IS WHAT THE TIMES DEMAND.

Money saved is the easiest money made. You may wear cheap clothing and be respectable, but you can't eat impure and unwholesome food and be healthy for any length of time. So when it comes to buying supplies for your table it is economy to buy the best. My annual CUT PRICE sale for CASH is now on, and when I say cash price that is what it is.

I am now rounding up my twenty-third year in Maysville. During that entire time I have worked hard and incessantly to build a trade for first class goods and to establish and hold a reputation for honorable and fair dealing. My success in business has proved to me that I have not worked in vain. My business has steadily increased from the beginning. I intend to continue in the same old way. For your very liberal support you have my most sincere thanks, and I most respectfully ask for a continuance of same. I want country people when in our city to visit my store and make it their headquarters. You are always welcome.

Remember, I run two delivery wagons, and it is always a pleasure to deliver goods. If you can't come to the store call up.
